

WELCOME TO ORLOFF

Welcome to ORLOFF, the Spa Experts Company in Greece

ORLOFF is one of the most renowned spa consulting companies in Greece thriving in the market of cosmetics and spa products since 1997 with leading international spa brands.

An Expert in Aesthetics & Wellness in Athens

By applying its cutting-edge expertise in aesthetics, ORLOFF succeeds in mastering every kind of technique related to beauty, relaxation and well-being through a sheer variety of refined anti-ageing skin care products, massage therapies and aromatherapy treatments.

The ORLOFF spa experts company offers an exclusive distribution channel comprised of professional circuits like beauty institutes, medical offices and hotel spas providing the perfect blend of ingredients and efficient spa treatments in order to satisfy the most demanding clientele of spa goers and beauty addicts.

A precious partner for the hospitality market in Greece

The Orloff' portfolio witnesses strong credentials in four and five star hotels. ORLOFF' mission is to fill the cultural gap existing between the hospitality and the spa industries, which are bound to grow together.

ORLOFF is a precious partner for hotels who want to learn how to start a spa, how to implement spa services and address spa management issues.

A unique business expertise in spa services

The competitive advantage of ORLOFF lies on the strong business spa expertise as the spa itself is considered a profit unit, independently of the hotel.

This expertise is grounded on long-term hotel partnerships in Greece which have passed successfully the proof of time, from setting up a spa to offering premium spa services.

ORLOFF delivers spa consulting services for the successful operation of a profitable spa, based on internationally acclaimed spa values and standards.

ORLOFF spa experts tool kit for a spa set up

Beyond the thorough training on genuine massage techniques and skin care protocols, ORLOFF shares its spa know-how:

- Creation & design of the spa menu
- Mystery shopper visits
- Merchandising, retail corner
- Management training
- Spa marketing
